

CARNEGIE INSTITUTION OF WASHINGTON  
DEPARTMENT OF GENETICS  
COLD SPRING HARBOR, LONG ISLAND, N. Y.

September 19, 1949

Professor T. M. Sonneborn  
Department of Zoology  
Indiana University  
Bloomington, Indiana

Dear Sonneborn:

I have your letter about manuscripts of the Naturalists' Symposium of 1947.

I doubt very much that this material would be worth publishing now, since some of it is already out of date. A mistake was made originally, in not arranging for publication when the arrangements for the Symposium were made.

Sincerely yours,

M. Demerec
